

Visit us at Intertraffic in Amsterdam !

Dear,

The world of mobility meets again in Amsterdam from April 16-19 for Intertraffic 2024, where parking innovation meets sustainability.

Join us at booth 12.715, where we will be showcasing cutting-edge innovations that are set to transform urban mobility.

Here's a glimpse of what awaits you at our booth:

Image-driven Guidance

- Real-time guidance facilitated through overhead cameras, mobile apps, and displays.
- Live demonstrations showcasing occupancy reading and violation detection using hybrid sensor/camera technology.

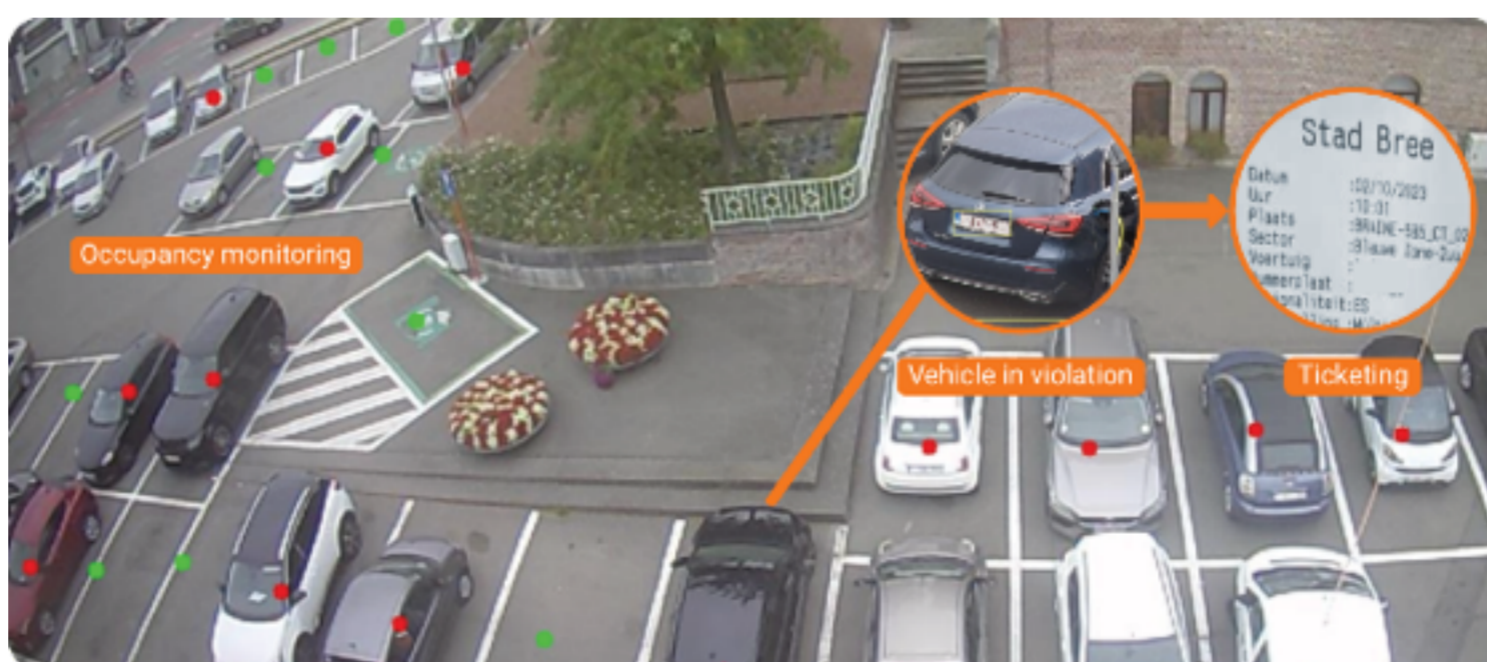

EV Parking Management

- Instantaneous spot occupancy and charging status readings enabling accurate guidance and identification of abusive behaviour at EV spots.

24/7 automated enforcement

- Introduction of our latest PTZ cameras module enables automatic vehicle fining directly from the backend, eliminating the need for parking wardens.

16 - 19 APR 2024
